

Volunteer Opportunity

Ealing Foodbank is looking for volunteers to attend our centres to help deliver wrap-around support to clients.

Crosslight Advice and CAP are Christian organisations that provide financial advice and support

Help through Crisis is a consortium of local advice providers, funded by Big Lottery and support people with applying for benefits, form filling, employment and training

You would be supporting the work of the paid employees of the different organisations

Training will be given by the individual organisations

If you have patience, empathy and time and would like to know more, please contact
