

Health and Safety Statement

Version Description: September 2024

Next Review: September 2025

1. Ealing Foodbank recognise that good health and safety management supports the delivery of services and projects in all locations where it operates. We are committed to ensuring so far as reasonably practicable, the health, safety and welfare of all volunteers, employees, temporary workers, contractors (collectively Our Representatives) and members of the public who may be affected by our activities. Ealing Foodbank declares its intention to satisfy the requirements of the Health and Safety at Work etc. Act 1974 and all other relevant legislation or Regulations.
2. Our representatives are encouraged to constantly challenge health and safety policies and procedures in order to build a health and safety culture and ensure continual improvement in the prevention of ill health and injury in the course of their duties.
3. Trustees and Managers have personal responsibility for the health, safety and welfare of all those acting under their direction or control including visitors at all sites where we operate. All Our Representatives have responsibility for their own health and safety and the health and safety of others who could be affected by their acts and omissions.
4. Ealing Foodbank will:
 - i) Comply with all relevant statutory requirements for health, safety and welfare.
 - ii) Consult with Representatives at all levels in order to improve the health and safety culture across all areas of the organisation.
 - iii) Ensure that all Representatives have access to and are aware of the Health and Safety Policy, procedures and guidance.
 - iv) Undertake risk assessments that are suitable and sufficient for work activities and implement appropriate risk control measures.
 - v) Provide and maintain a safe place of work for Representatives and members of the public visiting Our premises or accessing our services.
 - vi) Implement safe systems and processes for all activities conducted.
 - vii) Provide information, instruction, training and supervision of Representatives in matters of health and safety.
 - viii) Provide and maintain safe equipment.
 - ix) Ensure safe use, handling, storage and transport of articles and substances used or associated in the provision of Ealing Foodbank services or activities.
 - x) Implement a procedure for the recording, reporting and investigating of accidents, incidents, near misses and instances of ill health to determine if such are the result of Ealing Foodbank's activities.

- xi) Provide regular report on Ealing Foodbank health and safety performance to the trustees and ensure the report contains proposals for the continual improvement of health and safety management as appropriate.
